

Good Neighbour Agreement

The Good Neighbour Agreement is based on the original standards that were agreed when the Estate Management Board was originally established over 25 years ago.

This latest version (2021) has been developed in consultation with residents and takes account of issues raised in the annual residents' satisfaction survey.

The Agreement provides a common-sense approach to being a considerate neighbour and respecting the environment.

The EMB would like you to read the Good Neighbour Agreement carefully and keep it for future reference. If you and your family members respect these basic guidelines for living on the estate, it will promote co-operation and respect. Remember, ASB is not all about major incidents - it also includes day to day issues such as not disposing of rubbish properly and dropping litter.

Although it is a voluntary agreement ALL new residents are asked to sign up to the Good Neighbour Agreement as part of their tenancy sign up.

The Agreement - along with the Local Lettings Plan - are ways in which the EMB and PCH are working together to promote consideration for others and reduce negative behaviour.

NEW TENANT SIGN UP

I HAVE READ THE GOOD NEIGHBOUR AGREEMENT. I UNDERSTAND THE PURPOSE OF THE AGREEMENT AND AGREE TO FOLLOW THE GUIDANCE.
